

ZONING PERMIT APPLICATION PACKET

Zoning Permits are needed for projects that do not require a building permit. You will need a zoning permit if you are installing...

- a new fence, or replacing an existing fence;
- a shed, greenhouse, or smaller outbuildings that do not include utilities;
- a deck that does not include utilities, does not include a roof, and has a surface that is not greater than 30 inches above the ground;
- a new driveway, or the widening of an existing driveway;
- certain smaller signs without electricity (*call us for more information*);
- a patio; and,
- a retaining wall that is less than four feet high.

Note the above list is not exhaustive... other projects may require a Zoning Permit. If you think your project needs a Zoning Permit, please call the Township at (717) 336-1720.

ZONING PERMIT APPLICATIONS MUST INCLUDE THE FOLLOWING ITEMS. INCOMPLETE APPLICATIONS WILL BE RETURNED TO THE APPLICANT.

1. **ZONING PERMIT APPLICATION.** Complete all applicable sections of the Zoning Permit Application, and sign and date the application.
2. **SITE PLAN.** An accurate and legible site plan that shows existing buildings and proposed improvements, setbacks from property lines, and other information we need to determine if the project meets Township zoning requirements. See the Zoning Permit Application form for more information.
3. **BUILDING AND IMPERVIOUS COVERAGE CALCULATIONS.** There is a limit to how much impervious surface can be added to any property in the Township. On this form you will calculate how much building and impervious coverage exists today, and how much will exist after the project is completed. Some of the information you'll need to complete this calculation – like the property size, house dimensions, and tax parcel number – can be found at lanasterpa.devnetwedge.com. Please note you do not need to complete this form if the project adds no net increase to existing impervious coverage (*this mostly includes fences*).
4. **CERTIFICATE OF INSURANCE.** If your project is being completed by a contractor, the contractor must provide a certificate of insurance that names the Township as a certificate holder and additional insured, to be listed as "East Cocalico Township, 100 Hill Road, Denver PA 17517." The contractor must also complete the Pennsylvania Workers Compensation Insurance Coverage Information form.
5. **HOME IMPROVEMENT CONTRACTOR VERIFICATION.** If your project is being completed by a contractor, State Law requires the contractor to register as a home improvement contractor with the Office of the Pennsylvania Attorney General. Ask your contractor to provide his/her current license, or visit hicsearch.attorneygeneral.gov to download and print the contractor's license status (it must be valid), and submit this information to the Township.
6. **PERMIT FEE.** The permit fee must be paid at the time the application is submitted. Fees vary by project type. Visit ect.town to view the current Fee Schedule.

Questions? Call the Township at (717) 336-1720, or e-mail twp@ect.town.
