

TENANT INFORMATION

Per the East Cocalico Township Authority's Rates, Rules and Regulations Section VII., it is the Authority's policy to bill the property owner, so the water/sewer bill is sent directly to them. However, some landlords chose to forward the water/sewer bill onto the tenant for payment.

Below is a list of the billing dates and when they are due. Just mark these dates on your calendar, and if your landlord does not forward the water/sewer bill to you for payment within a few days after the mailed by date, please feel free to call or email the Authority office to request the amount owing.
